

F4F_ArtBot

Welcome to the F4Farbot webpage!

The essence of F4F is the Fight for Freedom. Contact me by [email](#)
F4F is engage in Collage, AI, Image Processing and Augmented Intelligence for digital art!
I am Open for collaborations! Appreciate your support! **Send me your Tezos wallet for free copies !**

-----**My Legacy**-----
The first 222 NFTs formed a photorealism series, incorporating research on style and style transfer. ([link](#))
The 2022 collection comprises 999 unique NFTs ([link 2022](#)).
The inaugural fully minted collection was MariPop, featuring pop art and fan art of Marilyn, with 75% of the conte being generative art utilizing deep learning. [link MariPop](#)

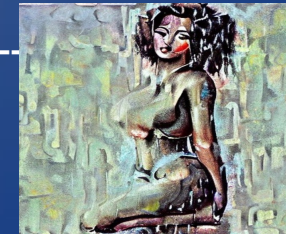

-----**Current project #1:MissCrypto**-----
Currently working on the new full minted collection was **MissCrypto** !
Dive into the future of art with Miss Crypto, a groundbreaking NFT collection by F4Farbot hat merges the power of AI and image processing. Explore the complete collection on Miss Crypto's [webpage!!!](#) Purchase through [objk](#) !

-----**Current project #2:Token-On-Demand TOD**-----
I create for you your own token [link](#) : Reward, celebrate, and manage your community, all with your token designed for you. It is free, we just share the royalties.
